July 12-16 • 9am - 4pm • 6-8th • \$235

Join this camp as a beginner or with experience, either way you will improve your skills in this exciting camp! Each day players work on ball handling skills like dribbling and passing skills, along with shooting skills and movement skills. They learn the rules and how to run plays in both offensive and defensive situations. There are drills, 1-1 activities, 3-3 activities, and full court games so players can develop individual skills and team play.

AM 9am to 12pm

Ceramics

July 12-16 • 9am - 12pm • 2-5th • \$165

All hands on deck! Learn the techniques to create beautiful clay pieces of art. Artists learn hand-building techniques to shape clay and start with pinch pots. They also create multiple pieces to fire and learn how to glaze to finish a piece.

Christmas in July

July 12-16 • 9am - 12pm • K5-4th • \$165

Everyone loves Christmas! This camp brings the joy of the season to the middle of summer! Come make a ginger bread house, an ugly Christmas sweater, Christmas decorations, all while you sing a carol, eat cookies and drink hot chocolate to Christmas music!

Design Challenge: Engineering

July 12-16 • 9am - 12pm • 5-8th • \$165

Explore engineering concepts in this design thinking camp. Discover "what if" as you create structures that accomplish a challenge, such as create motion using a water wheel or wind energy. Make structures to span lengths, tower high, or hold weight. Collaborate with other campers and build your own creations during this investigative week.

Farm to Table

July 12-16 • 9am - 12pm • 2-4th • \$165

This is experiential learning at its best! Campers go on 2 field trips this week to working farms. Once there they learn about the farming process and select products to cook with. The other days of camp we cook using our farm-fresh ingredients!

Film Star vs. Theatre Star

July 12-16 • 9am - 12pm • 5-8th • \$150

Very different skills are needed for recorded film acting and live theatre acting. Learn techniques for both in this unique week where you can compare/contrast and practice the 2 styles. Find your passion or discover you love both in this interesting camp.

Mermaids

July 12-16 • 9am - 12pm • K4-1st • \$165

Mermaids are fun and full of adventure. Join this cheeky week where we have our own mermaid adventures. Make mermaid sparkle art with colored salt painting. Craft and wear a mermaid wig. Create mermaid jewelry and your own treasure chest. Most of all have fun with mermaid inspired games and activities!

Phonics are Fun!

July 12-16 • 9am - 12pm • 1-2nd • \$165

Word attack skills are key for reading success. Knowing what rules to apply to specific letter combinations is a building block of reading and a must for budding readers. Through exciting games and activities and lots of practice, this fun camp is vital for emerging readers.

Soccer

July 12-16 • 9am - 12pm • 2-5th • \$150

Join this camp as a beginner or with some experience. Through drills, games, and small sided matches players improve their technique in dribbling, passing, shooting and team play, all while having a blast!

Survival Skills: Wilderness Training

July 12-16 • 9am - 12pm • 4-6th • \$165

Experts say there are 8 basic how-to skills needed for survival: fire building, potable water, foraging for food, building shelter, tying knots, creating a weapon, basic first aid, and fishing/trapping. Come learn skills for all and build a special tool kit to keep.

Trains & Cars

July 12-16 • 9am - 12pm • K4-1st • \$150

Calling all engineers and car lovers! This week is full of zipping and zooming. Build tracks for your trains to roam, create obstacles for cars to race through, but most of all have a blast playing with trains, cars and friends.

Unlock Your Potential: Become a Roblox Developer

July 12-16 • 9am - 12pm • 3-6th • \$180

Powered by Code Ninjas®, come learn the basics of game building and creative development in Roblox, an exciting, user-generated online gaming platform similar to Minecraft®. Campers use Roblox to create much more than just a game! Open to all levels of experience, this camp teaches ninjas how to plan, design and build their own 3D world in a hands-on, fully guided experience led by an awesome Code Senseis.

PM 1pm to 4pm

Color Expressions

July 12-16 • 1pm - 4pm • 2-4th • \$165

Color your summer awesome with this camp that explores art through color! Create splat art with paints, make tie dye items, use water colors to create keepsakes but most of all have fun blending and playing with colors!

Extreme Sports

July 12-16 • 1pm - 4pm • 5-8th • \$195

This week is not for the faint of heart as each day is a different extreme sport. Come learn to rock climb at Blue Ridge Climb, skateboard at The Board Ryders Club, and ice skate at the Pavilion. Bring your bike and ride the trails at a local park. Get your scooter at Cleveland Park. Scooter provided by ASP.

Giant Games

July 12-16 • 1pm - 4pm • 2-5th • \$150

Board games are a lost past-time and we aim to bring them back! Join this week of fun with games galore! Finish a game of Monopoly, play Battleship, Scrabble, Scattagories, Life, Uno, Chess and more. Learn and play endless card games like War, Peanut Butter, Tripoli, Sevens, and Secret Card.

Girls Wanna Have Fun

July 12-16 • 1pm - 4pm • 3-6th • \$165

Enjoy all the pampering and fun of a sleepover without spending the night. Paint your nails, do your make-up, use a face mask, and make special lotions and salts for a bubble bath at home. Make special snacks with an ice cream bar and popcorn. Play silly games and sing karaoke with your girls!

Jr. Maker Bootcamp Essential Skills for STEM Learning

July 12-16 • 1pm - 4pm • K5-2nd • \$180

Powered by Code Ninjas®, in this camp you take it apart! Campers unleash their imaginations piece-by-piece and bit-by-bit as they take apart toys, build with circuits and practice computational tinkering skills with a variety of creative, hands-on projects each day.

Little Illustrators

July 12-16 • 1pm - 4pm • K5-2nd • \$165

Each day we will read a book and then create illustrations styled in the same manner. Use torn paper to create art like the *The Very Hungry Caterpillar*. Use water colors to create scenes from the *Snowy Day*. Draw and color with markers like *Pete the Cat*. Cut and paste shapes to create art like in *Chicka Chicka Boom Boom* and use textured materials to create “touch and feel” art.

Sound & Rhythm

July 12-16 • 1pm - 4pm • 6-8th • \$150

Come explore how rhythm and sound are blended to make music! Budding musicians explore how notes create unique sounds and how sounds can express emotion. They explore using iPads and other forms of technology along with traditional methods.

Stage Make-up

July 12-16 • 1pm - 4pm • 4-7th • \$175

Create fantastical creatures with stage make-up! Learn all the techniques to apply make-up and then practice making characters on your camp mates. Learn basic stage make-up to contour actors' features and give them shine on stage. Then learn more advanced skills like how to show age and injuries. Learn how to create animal faces and whimsical features to give a character pizzazz.

Stop Motion Animation

July 12-16 • 1pm - 4pm • 3-6th • \$165

This fun class explores stop motion animation using props, drawings, and technology. Participants create story lines and build scenes to represent the plot. They take still pictures and then put them together using technology to show movement. Campers explore art, creativity, technology, and movie-style action in this unique experience.
