

Week 10: August 9-13

All Day 9am to 4pm

End of Summer Fun

August 9-13 • 9am - 4pm • K5-5th • \$235

This week we enjoy all our favorite things about summer! Play outdoor games, enjoy water toys, and have a watermelon eating contest! At the beginning of the week campers suggest some of their summer favorites and then choose activities to complete each day. We may even field trip to local parks for last minute summer fun!

AM 9am to 12pm

Bike & Hike

August 9-13 • 9am - 12pm • 4-8th • \$150

Each day is a new adventure as we hike and bike our way through this region! We hike 3 days and bike 2 days. Campers bring their own bikes and helmets. Visit the Swamp Rabbit Trail, Furman, and Lake Conestee on bikes. Visit Croft State Park and Paris Mountain for hikes.

Fencing

August 9-13 • 9am - 12pm • 3-8th • \$165

Powered by Foothills Fencing, this unique experience is an Olympic sport! Learn the rules of fencing, the skills for proper footwork, bladework, distance control, fencing etiquette, and how to be a good sportsman. Fencers start with the foil and all protective gear (mask, breastplate, vest, glove) is provided.

Paper Maché Masks

August 9-13 • 9am - 12pm • 3-6th • \$165

This camp is full of mess and fun! Make your own paper maché pastes and forms. Create giant head pieces or small masks to showoff your style! Then paint and decorate masks. Participants can create animals, people, or any fantastic form they imagine.

Read It, Be It!

August 9-13 • 9am - 12pm • K5-2nd • \$165

Bring your imagination! We read books and then make the pages come to life. (And parents this disguises reading comprehension practice as fun!) Read *Ferdinand the Bull* and learn about being true to yourself. Read *Blueberries for Sal* and explore nature and friendship. This week is full of books and silly fun that builds a love a reading.

PM 1pm to 4pm

Fort Building

August 9-13 • 1pm - 4pm • 2-4th • \$150

What is more fun than building a fort? NOTHING! Join this cool week and build forts! Make them from cardboard, sheets, poles, and tape. Then decorate them and play inside.

Origami

August 9-13 • 1pm - 4pm • 5-8th • \$165

Who knew folding paper could create such cool pieces? Learn the techniques to make movement pieces like animals and games, pretty pieces like flowers and stars, and functional pieces like bookmarks and storage boxes. Artists can enhance their folded creations with embellishments.

Pop Star

August 9-13 • 1pm - 4pm • 3-6th • \$150

Calling all singers! Come learn all the tricks to make your vocals magic, like how to control your breathing and how to get more power from your voice! Practice your stage presence, too, and you will be a pop star in no time!
