Acting

Wednesday • 5:00-6:00 • 4-7th • \$150

In this class aspiring actors explore creativity through their voice, body and imagination. They will learn the basics of acting through games, exercises, and scene work while developing skills in empathy, teamwork, self-confidence, and self-expression. All this while having a blast!

Acting Fun!

Tuesday • 5:00-6:00 • K-3rd • \$150

Looking for a place where your child can explore creativity through voice, body and imagination? Look no further! In this exciting class we will learn the basics of acting through games, exercises, and scene work while developing skills in empathy, teamwork, self-confidence, and self-expression.

Design Challenge: Engineering

Monday • 5:00-6:00 • 3-7th • \$165

Explore engineering concepts in this design thinking camp. Discover “what if” as you create structures that accomplish a challenge. Make mechanical devices that fly or hold weight or complete an action. Collaborate with other campers and build your own creations during this investigative week. Projects include an ornithopter and mechanical bugs that move.

Drones

Tuesday • 5:00-6:00 • 4-8th • \$165

Explore flight in this cool camp! Campers learn how to fly and control drones. As their skills grow they compete in challenges like landing zone spat, fly through the hoop, and more! Participants also create flying contraptions from simple materials to investigate concepts in lift and flight. Drones are provided.

Irish Dance

Wednesday • 3:30-4:30 • 2-6th • \$165

Immerse yourself in Irish culture through song and dance! To master this stylized dance you need to learn and practice special technical moves with crossed knees, straight posture and correct foot movements. Ballet shoes are required and provided. Participants can bring their own if they prefer.

Martial Arts

Friday • 3:30-4:30 • K-5th • \$165

Join Greenville Academy of Martial Arts in this dynamic class! Participants can join as beginners or with experience. This class teaches self-defense skills using the Jeet Kune Do methodology and combines these skills with a strong focus on character, discipline, and self-control. It's an unbeatable combination! A belt and a t-shirt are included.

Fall Offerings Continued

Minecraft

Friday • 3:30-4:30 • 3rd-6th • \$195

Powered by Code Ninjas®. Come learn how to manipulate and master Minecraft® by making your own mods (modifications). Using basic block-based coding, ninjas learn procedures, conditionals, and variables. Create 2D and 3D textures for your Minecraft® world along with custom content, including weapons, armor, and even enemies! Computers are provided.

Paper Mache

Wednesday • 5:00-6:00 • 2-6th • \$165

This class is full of mess and fun! Make your own paper mache pastes and forms. Create giant head pieces or small masks to showoff your style! Then paint and decorate pieces. Participants can create animals, people, or any fantastic form they imagine. They can even create holiday items for Halloween or Christmas decorations and costume accessories.

Rain Forest Island Challenge

Monday • 3:30-4:30 • K5-2nd • \$165

This STEAM adventure is powered by Challenge Island. Grab your survival gear for an Amazonian adventure on Rain Forest Island®, full of experiments and hands on science learning. You and a tribeful of friends will take on a jungle of challenges at breathtaking destinations like Jaguar's Claw®, Monkey Swings®, and Anaconda Squeeze®. Complete the Toucan Color Challenge with water colors. Learn how a snake moves as you build your own snake muscles. Don't miss this wildly exciting Challenge Island® experience!

Roller Skating

Thursday • 3:30-4:30 • K-5th • \$165

Join professional skater Angela Pitts in an exciting class to learn how to skate if you are a new skater, or strengthen your skills if you have experience. Participants will learn basic skating techniques such as how to stop, get up if you fall, and how to skate forward and backward. They will also learn more advanced skills, such as shoot-the-duck and how to jump as they progress. Class is powered by Roller Time Skating Academy. Skating happens on campus at ASP and skates are provided.

Super Star Island Challenge

Monday • 5:00-6:00 • 3-5th • \$165

This STEAM class is powered by Challenge Island. Calling all trailblazers, ground-breakers, and universe-shakers to Challenge Island's SUPER STAR ISLAND! You and your tribe will take a STEAMtastic journey through our Challenge Island Hall of Fame. Learn about famous folks and complete challenges related to their craft. Build a roller coaster and celebrate Space Mountain Walt Disney style. Explore feats by Jackie Robinson and Steve Jobs along with other game-changers in history.

Writer's Corner

Thursday • 5:00-6:00 • 4-8th • \$150

Does your child have a knack for writing? Writer's Corner is the class for them! Each week, writers can share their work, get feedback and develop future pieces with other young writers. This class has a "club" feel as the emphasis will be on peer collaboration, led by weekly prompts and challenges, inspiring participants to find their voice through writing. Just now getting into writing? No problem! Writer's Corner seeks to help writers at all stages, including new ones! Come join us and let's get writing!
