**Register online at [www.afterschoolplus.com](http://www.afterschoolplus.com).**

### **Acting Up**

*Tuesday • 5:00-6:00 • K-5th • \$150 or \$50/month*

Instructor: Alyson Burrell, Actor & Drama teacher

In this class aspiring actors explore creativity through their voice, body and imagination. Come learn the basics of acting through games, exercises, and scene work while developing skills in empathy, teamwork, self-confidence, and self-expression. All this while having a blast!

### **Bakers Corner**

*Thursday • 5:00-6:00 • 2-6th • \$165 or \$55/month*

Instructor: Andi Brown, ASP Teacher & Baker

Learn basic baking techniques such as measuring, chopping (using kid-safe knives), and how to read a recipe. Create delicious baked goods to sample and take home like muffins, cupcakes, and biscuits. Experiment with how one basic recipe can be jazzed up with the addition of a few ingredients to produce a new taste!

### **Be a YouTuber**

*Tuesday • 5:00-6:00 • 6-8th • \$150 or \$50/month*

Instructor: Mr. Dove, Media Teacher, Videographer & YouTuber

Come learn how to create content for your own YouTube channel. Participants create a safe channel with controlled privacy settings and then share their talents! Led by an experienced YouTuber and teacher, learn how to make videos with strong edits to post a meaningful share. Express yourself using technology and be safe learning how to create a channel that has reach and boundaries.

### **Drawing**

*Monday • 5:00-6:00 • 2-6th • \$165 or \$55/month*

Instructor: Michael Simpson, Certified Art teacher

Explore drawing techniques in this sampler class. Love cartooning? Come hone your skills! Like drawing animals? Learn better shading techniques! Artists will strengthen technique in this class all while exploring the styles they enjoy most!

### **Drones**

*Tuesday • 5:00-6:00 • 4-8th • \$165 or \$55/month*

Instructor: Michael Simpson, Certified Science teacher

Explore flight in this cool camp! Campers learn how to fly and control drones. As your skills grow you start competing in challenges like landing zone spat, fly through the hoop, and more! Participants also create flying contraptions from simple materials to investigate concepts in lift and flight. Drones are provided.

### **Fencing**

*Monday • 3:30-4:30 • 3-8th • \$165 or \$55/month*

Instructor: Professional Fencer from Foothills Fencing

This unique experience is an Olympic sport! Learn the rules of fencing, the skills for proper footwork, bladework, distance control, fencing etiquette, and how to be a good sportsman. Fencers start with the foil and all protective gear (mask, breastplate, vest, glove) is provided.

### **Flag Football**

*Wednesday • 3:30-4:30 • 2-5th • \$150 or \$50/month*

Instructor: Mr. Dove, Teacher & Flag Football Player

Think you are the next Odell Beckham, Trevor Lawrence or other football star? Bring your best moves! While playing in mini games, players learn football skills and techniques to improve throwing, catching, and defense. Don't let 'em get your flag! No pads or helmets needed, flags are provided.

### **Green Screen Fun!**

*Tuesday • 3:30-4:30 • 3-6th • \$150 or \$50/month*

Instructor: Mr. Dove, Media Teacher, Actor & Producer

Green screens are used in movies all the time to make actors look like they are in the coolest places! Join this exciting and sometimes silly class to explore how a green screen can transport you anywhere! Participants learn how a green screen works and have fun playing with special effects using the green screen and iPad apps. They can even create plots and make short videos as they explore.

## **Irish Dance**

*Wednesday • 5:00-6:00 • 2-6th • \$165 or \$55/month*

Instructor: Grace Runkel, Irish Dancer & Fox News Anchor  
Immerse yourself in Irish culture through song and dance! To master this stylized dance you need to learn and practice special technical moves with crossed knees, straight posture and correct foot movements. Ballet shoes are required and provided. Participants can bring their own if they prefer.

## **Martial Arts**

*Friday • 3:30-4:30 • K-5th • \$165 or \$55/month*

Instructor: Greenville Academy of Martial Arts Sifu  
Explore in this dynamic class! Participants can join as beginners or with experience. This class teaches self-defense skills using the Jeet Kune Do methodology and combines these skills with a strong focus on character, discipline, and self-control. It's an unbeatable combination! A belt and a t-shirt are included for new students.

## **Messy, Goopy Science**

*Monday • 5:00-6:00 • 3-5th • \$165 or \$55/month*

Instructor: Challenge Island Teacher  
Don't miss this hands-on science exploration! Come make slime and ooblek, complete experiments to explore states of matter, and challenge yourself to build the biggest rainbow cloud! This class is full of STEAM learning with a messy twist!

## **Pokémon**

*Wednesday • 5:00-6:00 • K-3rd • \$165 or \$55/month*

Instructor: Mr. Dove, Media Teacher, Pokémon Enthusiast  
Calling all Pokémon trainers! In this fun class trainers will develop their game skills, battle each other, and have a blast! Participants receive cards to play with and may bring their own cards (only those they are comfortable trading).

## **Roblox**

*Friday • 3:30-4:30 • 3-6th • \$165 or \$55/month*

Instructor: Code Ninjas® Sensei  
Come learn the basics of game building and creative development in Roblox, an exciting, user-generated online gaming platform similar to Minecraft®. Campers use Roblox to create much more than just a game! Open to all levels of experience. This class teaches ninjas how to plan, design and build their own 3D world in a hands-on, fully Sensei-guided experience. Computers are provided.

## **Roller Skating**

*Thursday • 3:30-4:30 • K-5th • \$165 or \$55/month*

Instructor: Angela Pitts, Professional Skater & Rink Owner  
This exciting class teaches you how to skate if you are a new skater, or strengthens your skills if you have experience. Participants will learn basic skating techniques such as how to stop, get up if you fall, and how to skate forward and backward. They will also learn more advanced skills, such as shoot-the-duck and how to jump as they progress. Class is powered by Roller Time Skating Academy. Skating happens on campus at ASP and skates are provided.

## **Sculpture**

*Wednesday • 5:00-6:00 • 3-6th • \$165 or \$55/month*

Instructor: Michael Simpson, Certified Art teacher  
This class is full of mess and fun! Make your own paper mache pastes and forms. Create giant head pieces, small masks, or other pieces you dream of to show-off your style! Then paint and decorate pieces. Participants can create animals, people, or any fantastic form they imagine.

## **STEAM On**

*Monday • 3:30-4:30 • K-2nd • \$165 or \$55/month*

Instructor: Challenge Island Teacher  
Get ready for a STEAM adventure! Come explore a variety of science, art, and engineering concepts in this sampler class. Build a marble run to explore motion, create a chromatography sun-catcher to explore color, and be a "tinker" as you take things apart to examine how they work. Collaborate with teammates and have fun!

## **Writer's Corner**

*Thursday • 5:00-6:00 • 4-8th • \$150 or \$50/month*

Instructor: Alyson Burrell, Actor & Drama teacher  
Do you have a knack for writing? Then this is the class to join! Each week, writers can share their work, get feedback and develop future pieces with other young writers. This class has a "club" feel as the emphasis is on peer collaboration, led by weekly prompts and challenges, inspiring participants to find their voice through writing. Just now getting into writing? No problem! We seek writers at all stages, including new ones! Come join us and let's get writing!

## **Yoga**

*Wednesday • 3:30-4:30 • K-5th • \$165 or \$55/month*

Instructor: The Haven Yoga Studio & Big Hug Kids teacher  
Get your zen on in this yoga class for kids! Learn the poses and breathing techniques to get your body and mind centered. Create crafts to relax your mind and learn easy-to-use meditation techniques. All activities are designed specially for children.
