

5th Grade Campers

Week 1: June 6-10

AM (9am-12pm)

Jewelry Making: Beads & Wire

June 6-10 • 9am - 12pm • 3-6th • \$165

Teacher: Diana McElwee, ASP Teacher, Jewelry Enthusiast, and Former College Professor of Music

Come create beautiful earrings, necklaces, and bracelets! Learn the techniques to shape wires and use special tools to attach beads. Artists keep all pieces created and learn skills to create jewelry as a life-long passion.

Kitchen Chemistry

June 6-10 • 9am - 12pm • 2-5th • \$165

Teacher: Michael Simpson, ASP Teacher and former Middle School Art & Science Teacher

Come experiment with all edible ingredients! Learn about states of matter with ice cream and lip gloss. Discover acids and bases with cabbage juice. Make ooblek and taffy. Use candies to experiment with colors. Makes toys from milk and learn about casein. Don't miss this week full of chemistry explored with edible reactants!

Nerf Wars

June 6-10 • 9am - 12pm • 2-6th • \$150

Teacher: Marco Gast, ASP Teacher

Epic battles await! Join this exciting week to play against your buddies. Nerf guns and darts are provided but campers can bring their own. Enjoy a week of building bunkers, target practice, and lots of competitive play.

PM (1-4pm)

Gym Games

June 6-10 • 1pm - 4pm • 5-8th • \$150

Teacher: TBA

Come get your game on in this week of fun! Run, jump, play, and be competitive with friends in our huge gym. Get out all our fun sports equipment and play games like dodgeball, basketball, soccer, flag football, and bowling. Enjoy cornhole, ladderball, and PE games. There are multiple structured games each day and some campers' choice periods so participants make the week their own!

Woodworking 101

June 6-10 • 1pm - 4pm • 3-6th • \$175

Teacher: Marco Gast, Outdoorsman and ASP Teacher

Use manual tools to create amazing wooden structures! Participants learn the proper way to use a hammer, nails, screw drivers, and small saws. No power tools used. Campers build and take home a birdhouse, a car/truck, a decor piece, and a project of their choosing during the week.

Week 2: June 13-17

AM (9am-12pm)

Archery

June 13-17 • 9am - 12pm • 4-8th • \$150

Teacher: Marco Gast, Outdoorsman and ASP Teacher

Join this camp as a beginner or with some experience. Participants learn how to safely shoot a bow and arrow, strengthen their aim with lots of target practice, and experiment with different types of bows. They design and create their own arrow to take as a keepsake.

Escape Room Design Challenge

June 13-17 • 9am - 12pm • 5-8th • \$165

Teacher: Jordan Filiatreau, Elementary School Teacher

Design thinking is an important 21st Century skill. This camp poses the challenge of creating an escape room and campers create the clues for others to solve to escape. Infused with smaller challenges during the week, such as riddles and digital challenges from breakout.edu, campers set their problem solving skills and creativity in motion.

Green Screen Fun

June 13-17 • 9am - 12pm • 3-5th • \$150

Teacher: Mr. Dove, Mr. Dove, Actor, Youtuber, and Former Elementary School Media Teacher

If you had the power to poof yourself anywhere, where would you go? Green Screens are used by movie studios and by YouTubers to create special effects that can take them crazy places. They can get you there too. Join this exciting and sometimes silly week to learn how a green screen works, use special effects (iPads provided) and finally go to those places, you thought you never could!

Painting Techniques

June 13-17 • 9am - 12pm • 3-6th • \$165

Teacher: Michael Simpson, ASP Teacher and former Middle School Art & Science Teacher

Come learn techniques to create beautiful canvases! Participants learn about composition through layout practice and color blending by mixing all their own colors. Learn about different painting styles and techniques for application and then create painted pieces to take home and treasure.

Slimetopia

June 13-17 • 9am - 12pm • 2-5th • \$165

Teacher: Challenge Island® Science Teacher

Powered by Challenge Island®, one can never have enough slime! Introducing a brand new ooey, gooey, squishy, squashy slime-drenched camp extravaganza! Learn the science behind the slime while making at least 10 different kinds of the addictively playful polymer: From butter to bubble; from crunchy to munchy; from fluffy to foamy – we've got you and your tribe covered (in slime, that is!).

PM (1-4pm)

Cartooning

June 13-17 • 1pm - 4pm • 2-5th • \$165

Teacher: Michael Simpson, ASP Teacher and former Middle School Art & Science Teacher

Come create fun figures and comic strips to show action! Learn the stylized methods to make figures look like anime or other cartoon styles, along with how to create a story board for your cartoon plots.

Kids in Business

June 13-17 • 1pm - 4pm • 4-7th • \$165

Teacher: Challenge Island® Teacher

Powered by Challenge Island®, we are calling all innovative and inventive kids to an adventure in STEAM and entrepreneurship! You and your tribe design, create, and open new businesses and associated product lines each day of camp: from pet shops to restaurants to fashion and sporting goods stores; from ice cream parlors to toy stores to pop-up holiday shops. Come convince city planners that your tribe's business belongs in the new Challenge Island Mall. Don't miss out on this unique entrepreneurial experience!

Martial Arts

June 13-17 • 1pm - 4pm • 3-6th • \$165

Teacher: Greenville Academy of Martial Arts Sifu

This is a dynamic class! Join as a beginner or with experience. Sifu (the leader) teaches self-defense skills using Jeet Kune Do methods and combines these skills with a strong focus on character, discipline, and self-control. This unbeatable combination gives campers confidence, martial arts skills, and a fun experience!

Sports Sampler

June 13-17 • 1pm - 4pm • 2-6th • \$150

Teacher: Jordan Filiatreau, Elementary School PE Teacher

Not sure what sport you like best? Come sample them all! Each day we will try out 2 sports so players can test a variety of activities. All sessions focus on technique, knowing the rules of the game, sportsmanship, and teamwork. Sports explored include basketball, soccer, flag football, kickball, volleyball, PE games, and more!

Week 3: June 20-24

AM (9am-12pm)

Basketball Skills

June 20-24 • 9am - 12pm • 5-8th • \$150

Teacher: Charles Wimphrie, ASP Teacher, Former Pro Player, and Retired University Head Basketball Coach

Come strengthen individual skills in ball handling, shooting, and movement through unique drills, repetition, and individual instruction. Team games are also part of the week to improve teamwork, defensive and offensive tactics, and all around play.

Ceramics

June 20-24 • 9am - 12pm • 2-5th • \$165

Teacher: Michael Simpson, ASP Teacher and former Middle School Art & Science Teacher

All hands on deck! Learn the techniques to create beautiful clay pieces of art. Artists learn hand-building techniques to shape clay and start with pinch pots. They also create multiple pieces to fire and learn how to glaze to finish a piece.

Guitar

June 20-24 • 9am - 12pm • 5-8th • \$165

Teacher: Jacob Kiser, ASP Teacher and Guitar Teacher

Learn the basics of playing guitar in this collaborative week. Participants can be beginners or have some experience as individual skill will grow during the week. Learn proper hand positioning, and then the chords and arpeggios that are the basics of songs. Put them together to create simple tunes. Campers will also learn about rhythm and timing as they practice. Guitars are provided but participants may bring their own if they prefer.

Making the Mod: Designing Modification with Minecraft®

June 20-24 • 9am - 12pm • 3-6th • \$185

Teacher: Code Ninjas® Professional Sensei

Powered by Code Ninjas®. Come learn how to manipulate and master Minecraft® by making your own mods (modifications). Using basic block-based coding, ninjas learn procedures, conditionals, and variables. Create 2D and 3D textures for your Minecraft® world along with custom content, including weapons, armor, and even enemies!

Messy, Gooey Science

June 20-24 • 9am - 12pm • 2-5th • \$165

Teacher: Challenge Island® Science Teacher

Powered by Challenge Island®, it's another week of hands-on science exploration! Come make slime and ooblek, complete experiments to explore states of matter, and challenge yourself to build the biggest rainbow cloud! This class is full of STEAM learning with a messy twist!

PM (1-4 pm)

Cupcake Wars

June 20-24 • 1pm - 4pm • 2-6th • \$165

Teacher: Andrea Hayes, ASP Teacher

Come bake and ice something delicious! Learn piping techniques to make the cutest cupcakes around! Campers eat some of their treats, take some home, and the rest are sold at a bake sale at the end of camp, with all funds donated to the charity campers choose.

Extreme Sports

June 20-24 • 1pm - 4pm • 5-8th • \$175

Teacher: Marco Gast, Outdoorsman and ASP Teacher

This week is not for the faint of heart as each day is a different extreme sport. Come learn to rock climb at Climb Blue Ridge, practice Parkour at Defy, and ice skate at the Pavilion. Scooter around the trails at a local park (scooters provided by ASP). Make obstacle courses and create challenges to compete with campmates. Don't miss this exciting week!

Innovation Station

June 20-24 • 1pm - 4pm • 2-5th • \$165

Teacher: Ellen Gordon, Elementary School Teacher

Explore in this maker space wonderland! Campers will have a variety of materials available to create items as they compete in challenges. Each day brings a new theme, such as creating a vessel that floats, or making whimsical creatures from recycled materials. Participants explore engineering, art, and physics concepts all while creating, building, and collaborating with campmates.

Talent Show

June 20-24 • 1pm - 4pm • 3-6th • \$150

Teacher: Mr. Dove, Mr. Dove, Music Artist, Actor, Youtuber, and Former Elementary School Media Teacher

Everyone has a talent, what's yours? Come express yourself and showcase your performing talents. Participants can explore any ability they choose such as singing, acting, comedy, or something totally unique! Simple props are created and there is an end of week showcase of talents for family!

Wizardry Party: Potions & Spells

June 20-24 • 1pm - 4pm • 4-8th • \$165

Teacher: Challenge Island® Science Teacher

Powered by Challenge Island®, we've brewed up a brand new and magical week of spellbinding adventure based on the famous character, Harry Potter! You and your tribe take a full load of Wizarding Classes from Transfiguration to Flying Broomsticks to Charms and Potions to Magical Beasts. The STEAMtastic camp culminates with an enchanted graduation ceremony for family.

Yoga

June 20-24 • 1pm - 4pm • K5-5th • \$165

Teacher: The Haven Yoga Studio Professional Yogi

Get your zen on! Learn the poses and breathing techniques to get your body and mind centered. Create crafts to relax your mind and learn simple meditation techniques.

Week 4: June 27 - July 1

All Day (9am-4pm)

Basketball

June 27 - July 1 • 9am - 4pm • 1-2nd • \$235

June 27 - July 1 • 9am - 4pm • 3-5th • \$235

June 27 - July 1 • 9am - 4pm • 6-8th • \$235

Teacher: Charles Wimphrie, ASP Teacher, Former Pro Player, and Retired University Head Basketball Coach

Join this camp as a beginner or with experience, either way you will improve your skills in this exciting camp! Each day players work on ball handling skills like dribbling and passing skills, along with shooting skills and movement skills. They learn the rules and how to run plays in both offensive and defensive situations. There are drills, 1-1 activities, 3-3 activities, and full court games so players can develop individual skills and team play.

AM (9am-12pm)

Fishing

June 27 - July 1 • 9am - 12pm • 4-7th • \$165

Teacher: Michael Simpson, ASP Teacher, Certified Science Teacher, and Fishing Enthusiast

Visit local fishing holes and catch a big one! Learn how to string a pole, bait a hook, and what type of bait attracts various fish. Practice dragging your line to lure the fish in. All catches are returned to the lake. Poles are provided.

Playground Hunt

June 27 - July 1 • 9am - 12pm • K5-5th • \$150

Teacher: Kira Reid, ASP Teacher

Join the fun as we hunt for the best playground in the upstate! Each day we will visit a different fun spot to explore the equipment it offers on our quest to find our favorites. Explore the splash pad at Tyger River Park, the zip-lines at Century Park, the slides at Herdklotz Park, the fun of Conestee Park, and the Emmanuel Sullivan Sports Complex/ Fountain Inn Splash Pad .

Pop Star

June 27 - July 1 • 9am - 12pm • 3-6th • \$150

Teacher: Diana McElwee, ASP Teacher, Vocal Coach, and Former College Professor of Music

Calling all singers! Come learn all the tricks to make your vocals magic, like how to control your breathing and how to get more power from your voice! Practice your stage presence, too, and you will be a pop star in no time!

Roller Skating

June 27 - July 1 • 9am - 12pm • K5-5th • \$165

Teacher: Angela Pitts, Professional Roller Skater

Powered by Roller Time Skating Academy, learn to skate in this exciting class, or strengthen your skills if you have experience. Participants learn basic skating techniques such as how to stop, get up if you fall, and how to skate forward and backward. They learn more advanced skills, such as shoot-the-duck and how to jump as they progress. Skates are provided.

Sewing 101

June 27 - July 1 • 9am - 12pm • 3-6th • \$175

Teacher: Andi Brown, ASP Teacher, Sewing Enthusiast and Former Early Interventionist

This camp is for beginners or those with some experience. Learn how to use a sewing machine to create projects. Campers make a throw pillow, pillowcase, and draw string bag. Sewing machines, fabric, and other materials are provided but sewers should bring 1 yard of cotton fabric and 3 yards of matching ribbon for their draw string bag. Participants may bring their own sewing machine if desired.

Survival Skills: Wilderness Training

June 27 - July 1 • 9am - 12pm • 3-6th • \$165

Teacher: Marco Gast, Outdoorsman and ASP Teacher

Experts say there are 8 basic how-to skills needed for survival: fire building, potable water, foraging for food, building shelter, tying knots, creating a weapon, basic first aid, and fishing/trapping. Come learn skills for all and build a special tool kit to keep.

PM (1-4pm)

Broadcast Journalism

June 27 - July 1 • 1pm - 4pm • 5-8th • \$150

Teacher: Grace Runkel, FOX Carolina News Reporter

Calling all aspiring journalists to come get the scoop! This camp is led by a real news journalist, Fox's Grace Runkel. Participants learn how to develop a story, how to create a broadcast shot, and develop skills for being in front of the camera. Speaking skills and making a story interesting are also important aspects learned. We may even tour the Fox News studios to see a station up close!

Origami

June 27 - July 1 • 1pm - 4pm • 4-6th • \$165

Teacher: Michael Simpson, ASP Teacher and former Middle School Art & Science Teacher

Who knew folding paper could create such cool pieces? Learn the techniques to make movement pieces like animals and games, pretty pieces like flowers and stars, and functional pieces like bookmarks and storage boxes. Artists can enhance their folded creations with embellishments.

Resin Art

June 27 - July 1 • 1pm - 4pm • 5-8th • \$175

Teacher: Lindsay Jackson, Resin Art Enthusiast and School Speech Therapist

Learn how to create vibrant, amazing art using epoxy resin and the techniques to shape and mold pieces. Campers can create jewelry, bookmarks, key-chains, and even larger wooden pieces as their skills grow. Appropriate safety equipment will be used such as masks, gloves, and protective eyewear.

Rock Climbing

June 27 - July 1 • 1pm - 4pm • 2-5th • \$225

Teacher: Marco Gast, ASP Teacher

Calling all adventurers! Each day we visit an indoor climbing facility such as Climb at Blue Ridge, Big Air, and Mauldin Cultural Center climbing wall. Learn how to belay and climb and then practice to your heart's content! Campers should wear athletic shoes or can rent climbing shoes (fee included in camp price).

Roller Skating

June 27 - July 1 • 1pm - 4pm • K5-5th • \$165

Teacher: Angela Pitts, Professional Roller Skater

Powered by Roller Time Skating Academy, learn to skate in this exciting class, or strengthen your skills if you have experience. Participants learn basic skating techniques such as how to stop, get up if you fall, and how to skate forward and backward. They learn more advanced skills, such as shoot-the-duck and how to jump as they progress. Skates are provided.

Spa Creations

June 27 - July 1 • 1pm - 4pm • 3-6th • \$165

Teacher: Kira Reid, ASP Teacher

Enjoy this beautiful week of creating spa accessories. Come make bath bombs, bath salts, scented oils, and body scrubs. Make candles and soaps. This fun week infuses science with beauty as campers learn how to create using many plant based materials.

Week 5: July 5-8 NO MONDAY

All Day (9am-4pm)

Celebrate USA

July 5-8 • 9am - 4pm • K5-5th • \$195

Teacher: Charles Wimphrie, ASP Teacher, Former Pro Player, and Retired University Head Basketball Coach

This week is nothing but fun as we celebrate being American! Each day there are multiple stations of activities such as games in the gym, crafts and cooking in classrooms, and choice activities proposed by campers. Participants choose their stations each day and make the week their own. We have a cook-out for lunch one day, American style with hamburgers and hot dogs.

Hiking

July 5-8 • 9am - 4pm • 5-8th • \$195

Teacher: Marco Gast, Outdoorsman and ASP Teacher

Strap on your hiking boots and join the fun! Each day we travel to a different state park to hike and explore the scenes. Hike to Issaqueena Falls Waterfall near Walhalla and enjoy a picnic by the falls. Hike to Table Rock and Governor's Rock in NC. Explore Croft Park in Spartanburg and King's Mountain State Park. Campers picnic each day so should bring an appropriate lunch that needs no microwave. They should also wear appropriate attire for a multi-mile hike each day.

Week 6: July 11-15

AM (9am-12pm)

Dodgeball

July 11-15 • 9am - 12pm • 2-6th • \$150

Teacher: Jordan Filiatreau, Elementary School PE Teacher

Join your friends and play dodgeball and dodgeball style games each day! Learn the rules of the game and play in a safe environment where your teammates are just as excited as you. Improve throwing, ducking, and dodging skills through practice and drills. Improve your team play with endless games and fun! Soft foam balls are used.

Drones & Rockets

July 11-15 • 9am - 12pm • 4-8th • \$165

Teacher: Michael Simpson, ASP Teacher and former Middle School Art & Science Teacher

Explore flight in this cool camp! Campers learn how to fly and control provided drones with practice, practice, practice. As they improve they compete to complete a series of challenges with landing and flying through spaces. They create flying contraptions from simple materials to investigate concepts in lift. They even create rockets to launch.

Flag Football

July 11-15 • 9am - 12pm • 5-8th • \$150

Teacher: Mr. Dove, ASP Teacher and Flag Football Enthusiast

Think you are the next Odell Beckham, Tom Brady or other football star? Then bring your best moves! Through mini-games and skill drills, players learn and practice techniques to improve throwing, catching, and defense. Don't let 'em get your flag. No pads or helmet needed.

Fort Building

July 11-15 • 9am - 12pm • 2-5th • \$150

Teacher: Marco Gast, Outdoorsman and ASP Teacher

What is more fun than building a fort? NOTHING! Join this cool week and build forts! Make them from cardboard, sheets, poles, and tape. Then decorate them and play inside.

Jewelry Making: Friendship Bracelets & Polymer Clay

July 11-15 • 9am - 12pm • 3-6th • \$165

Teacher: Diana McElwee, ASP Teacher, Jewelry Enthusiast, and Former College Professor of Music

Make awesome bracelets, necklaces, earrings, and even hair accessories this week! Create fun friendship style bracelets by learning different knotting techniques and experimenting with color complements. Use polymer clay to make a variety of pieces. Polymer clay is fine clay that is shaped and then baked. Learn the techniques to use this clay to create fun jewelry pieces.

Snack Attack

July 11-15 • 9am - 12pm • 5-8th • \$165

Teacher: Andi Brown, ASP Teacher and Former Early Interventionist

Knowing how to create simple snacks is an important skill for tweens and teens. This camp teaches them techniques and recipes to create afternoon or any time snacks using pantry staples. Cooks also learn cooking skills and safety. Come create bagel pizza, test out spices to find your favorites, make muffins, trail mix, and more!

Unlock Your Potential: Become a Roblox Developer

July 11-15 • 9am - 12pm • 3-6th • \$185

Teacher: Code Ninjas® Professional Sensei

Powered by Code Ninjas®, come learn the basics of game building and creative development in Roblox, an exciting, user-generated online gaming platform similar to Minecraft®. Campers use Roblox to create much more than just a game! Open to all levels of experience, this camp teaches ninjas how to plan, design and build their own 3D world in a hands-on, fully guided experience led by an awesome Code Sensei.

PM (1-4pm)

3-D Drawing

July 11-15 • 1pm - 4pm • 3-6th • \$165

Teacher: Michael Simpson, ASP Teacher and former Middle School Art & Science Teacher

Learn to draw 3-D figures and optical illusions. Open to beginners and those with drawing experience, come learn the shading techniques to show depth and make figures jump off the page. Campers will create a portfolio of drawings.

Making the Mod: Designing Modification with Minecraft®

July 11-15 • 1pm - 4pm • 3-6th • \$185

Teacher: Code Ninjas® Professional Sensei

Powered by Code Ninjas®. Come learn how to manipulate and master Minecraft® by making your own mods (modifications). Using basic block-based coding, ninjas learn procedures, conditionals, and variables. Create 2D and 3D textures for your Minecraft® world along with custom content, including weapons, armor, and even enemies!

Nerf Wars

July 11-15 • 1pm - 4pm • 2-6th • \$150

Teacher: Marco Gast, ASP Teacher

Epic battles await! Join this exciting week to play against your buddies. Nerf guns and darts are provided but campers can bring their own. Enjoy a week of building bunkers, target practice, and lots of competitive play.

Water Games

July 11-15 • 1pm - 4pm • 3-6th • \$165

Teacher: Kira Reid, ASP Teacher

Cool off in this fun week of water games! There are silly activities like water balloons, water toss, and water relays, along with slip 'N slide and sprinkler games. There is one field trip to the Kroc Center for a water day off campus.

Week 7: July 18-22

AM (9am-12pm)

Fencing

July 18-22 • 9am - 12pm • 3-8th • \$165

Teacher: Foothills Fencing Professional Fencer

This unique experience is an Olympic sport! Learn the rules of fencing, the skills for proper footwork, bladework, distance control, fencing etiquette, and how to be a good sportsman. Fencers start with the foil and all protective gear (mask, breastplate, vest, glove) is provided.

Film Star vs. Theatre Star

July 18-22 • 9am - 12pm • 5-8th • \$150

Teacher: Mr. Dove, Actor, Music Artist, Youtuber, and Former Elementary School Media Teacher

Very different skills are needed for films and TV acting vs live theatre acting. Your favorite Broadway star like Lin Manuel Miranda - creator of Hamilton performs a little differently when he is on camera, than when he is on the stage. Learn techniques for both in this unique week where you can compare/contrast and practice the 2 styles. Who knows, maybe you will fall in love with one, or maybe both.

LEGO Builders

July 18-22 • 9am - 12pm • 2-5th • \$150

Teacher: TBA

Build it! This exciting camp is full of building challenges using LEGO bricks, such as a machine that moves, tallest structure, a contraption to catch something, and much more! There is also plenty of free build time to create unique and amazing LEGO sculptures.

Quilling Paper Art

July 18-22 • 9am - 12pm • 3-6th • \$165

Teacher: Diana McElwee, ASP Teacher, Art Enthusiast, and Former College Professor of Music

Quilling is the art of curling paper to make shapes and then putting the shapes together to form a composition. Come learn how to use the tools and techniques to shape strips of paper. Then create a variety of designs such as signs for your room, greeting cards, monogrammed pieces, and even key-chains. Don't miss this unique camp!

Take Care of Your Community

July 18-22 • 9am - 12pm • 3-6th • \$150

Teacher: TBA

This week we visit local non-profits to learn about their mission and volunteer our talents. Help the animals at an animal rescue. Stock supplies at a local food bank. Stuff toiletry care packages for those at shelters. Plant at a community garden. Most of all fill your heart with love as you learn that being a good citizen and helping your community brings joy to you and others.

Ukulele

July 18-22 • 9am - 12pm • 2-5th • \$165

Teacher: Jacob Kiser, ASP Teacher and Guitar Teacher

Learn to play this fun and charming stringed instrument! Participants practice how to hold the ukulele, how to strum, how to play chords, and put it all together to create tunes. Ukuleles are provided but campers can bring their own if they prefer.

Woodworking Intermediate

July 18-22 • 9am - 12pm • 4-7th • \$185

Teacher: Marco Gast, Outdoorsman and ASP Teacher

Designed for those with some woodworking experience, either on their own or by completing our Woodworking 101 course first. In this camp build larger pieces using manual tools. Participants practice using a hammer, nails, screw drivers, and small saws. Campers will build small benches during the week which they can take home or leave at ASP for use in our entrance courtyard.

PM (1-4pm)

All Around Town

July 18-22 • 1pm - 4pm • K5-5th • \$195

Teacher: Kira Reid, ASP Teacher

Visit all your favorite spots and have a blast with friends! Hot spots like The Children's Museum, Spare Time laser tag, Carolina Dance & Cheer fun gym, Recraft Greenville arts & crafts fun, and the Fountain Inn Splash Pad are all on our path. Don't miss this week of adventure!

Cooking Basics

July 18-22 • 1pm - 4pm • 3-6th • \$165

Teacher: TBA

Learn basic cooking techniques such as measuring, chopping (using safe plastic knives!), and how to read a recipe. Then use your knowledge to create something delicious. Each day explores a cuisine such as desserts or breakfast foods.

Cosplay

July 18-22 • 1pm - 4pm • 5-8th • \$165

Teacher: Andi Brown, ASP Teacher, Cosplayer and Former Early Interventionist

Ever wish you could dress up for Halloween year round? Come learn about the art of cosplay! Campers will learn techniques to help create the costume of their dreams using easily accessible materials such as foam, cardboard, paper mâché, and clay.

Irish Dancing

July 18-22 • 1pm - 4pm • 2-6th • \$165

Teacher: Grace Runkel, Irish Dancer

Immerse yourself in Irish culture through song and dance! To master this stylized dance you need to learn and practice special technical moves with crossed knees, straight posture, and correct foot movements. Ballet shoes are required and provided. Participants can bring their own if they prefer.

Rock Climbing

July 18-22 • 1pm - 4pm • 5-8th • \$225

Teacher: Marco Gast, ASP Teacher

Calling all adventurers! Each day we visit an indoor climbing facility such as Climb at Blue Ridge, Big Air, and Mauldin Cultural Center climbing wall. Learn how to belay and climb and then practice to your heart's content! Campers should wear athletic shoes or can rent climbing shoes (fee included in camp price).

Soccer

July 18-22 • 1pm - 4pm • K5-5th • \$150

Teacher: Ralston Moore, Soccer Coach and Former Jamaican National Player

Join this camp as a beginner or with some experience. Through drills, games, and small sided matches players improve their technique in dribbling, passing, shooting and team play, all while having a blast!

Stop Motion Animation

July 18-22 • 1pm - 4pm • 2-5th • \$165

Teacher: Mr. Dove, YouTuber, and Former Elementary School Media Teacher

If you haven't done stop motion animation before, you may be missing out. This fun class explores stop motion animation using props, drawings, and technology. Create your own stories, build scenes, create sound effects and more! You will take still pictures and then put them together over and over using technology to exciting show movements. Campers explore art, creativity, technology, and movie-style action in this unique experience.

Week 8: July 25-29

All Day (9am-4pm)

Water Works

July 25-29 • 9am - 4pm • 5-8th • \$300

Teacher: Marco Gast, Outdoorsman and ASP Teacher

Cool off this week with a trip to a watering hole each day! We play at Discovery Island Water Park, have a blast at Sliding Rock, and enjoy a day at the Kroc Center pool and water toys. One day we tube the Saluda River, and finally spend a day wading in creeks around the upstate.

AM (9am-12pm)

Actors Studio

July 25-29 • 9am - 12pm • 3-6th • \$150

Teacher: Mr. Dove, Mr. Dove, Actor, Performer, Youtuber, and Former Elementary School Media Teacher

Come explore creativity through voice, body and imagination. Learn the basics of acting using games, fun exercises, and unique scenarios to explore expression. Develop skills in teamwork, self-confidence, self-expression and how to show emotion through body language.

Adventures in 3-D Printing

July 25-29 • 9am - 12pm • 4-7th • \$185

Teacher: Code Ninjas® Professional Sensei

Powered by Code Ninjas®, campers explore a foundation in 3D modeling by designing simple structures. Ninjas choose a path of creating a new model in TinkerCAD or importing a design to remix. Along the way, learn tips, techniques and associated best practices for exciting explorations in 3D modeling and printing.

Ceramics

July 25-29 • 9am - 12pm • 5-8th • \$165

Teacher: Michael Simpson, ASP Teacher and former Middle School Art & Science Teacher

All hands on deck! Learn the techniques to create beautiful clay pieces of art. Artists learn hand-building techniques to shape clay and start with pinch pots. They also create multiple pieces to fire and learn how to glaze to finish a piece.

Roller Skating

July 25-29 • 9am - 12pm • K5-5th • \$165

Teacher: Angela Pitts, Professional Roller Skater

Powered by Roller Time Skating Academy, learn to skate in this exciting class, or strengthen your skills if you have experience. Participants learn basic skating techniques such as how to stop, get up if you fall, and how to skate forward and backward. They learn more advanced skills, such as shoot-the-duck and how to jump as they progress. Skates are provided.

Slimetopia Glow Camp

July 25-29 • 9am - 12pm • 3-6th • \$165

Teacher: Challenge Island® Science Teacher

This fun STEAM camp is powered by Challenge Island®. If you are slime crazy and love working in the dark, this camp is for you! Not only will we make different types of slime but we will add in our top challenges, glow-in-the-dark style! Explore slime mixed with roller coasters, putt putt, even a space challenge that will take our imaginations out of this world!

Volleyball

July 25-29 • 9am - 12pm • 2-4th • \$150

July 25-29 • 9am - 12pm • 5-6th • \$150

July 25-29 • 9am - 12pm • 7-8th • \$150

Teacher: Carolina One Volleyball Professional Coaches

This camp is for beginners and those with some experience. Strengthen your technique in serving, passing, defense, and scoring. Players will improve individual and group play through drills focused on skill work and small matches every day. Campers are grouped by age and skills giving all opportunities to have fun and improve individual technique.

PM (1-4pm)

Arcade Mania

July 25-29 • 1pm - 4pm • 3-6th • \$165

Teacher: Challenge Island® Science Teacher

Powered by Challenge Island®, this Kids-Choice Challenge Island adventure puts a 100% SCREEN-FREE STEAM twist on popular video games: From Super STEAMio to Island Blox to Mine Island to Fort Island to retro-inspired games like Space Aliens and Pinball Machines! You and your STEAM Team will swap game consoles for creativity and joysticks for ingenuity and imagination as you take on Islands of low-tech STEAM challenges created with game-loving kids in mind!

Comedic Rap Battles

July 25-29 • 1pm - 4pm • 4-8th • \$150

Teacher: Mr. Dove, Song Writer, Rapper, Youtuber, Former Elementary School Media Teacher

Rap can be funny too! Come busta' rhyme in this trendy and goofy week to explore the rhythm and cadence of comedic rapping. Create song spoofs, remixes and hilarious rap battles. Of course it'll end with an amazing cypher! While competing with your classmates always remember, keep it clean, keep it witty, and KEEP IT FUNNY.

Sewing With Patterns

July 25-29 • 1pm - 4pm • 4-8th • \$185

Teacher: Andi Brown, ASP Teacher, Sewing Enthusiast and Former Early Interventionist

This camp is designed for those with some sewing machine experience. Sewers will learn how to use a pattern to create a multiple projects, such as a tote bag. Campers should bring 1 yard of fabric for the tote bag. All other materials are provided, including sewing machines, but participants may bring their own sewing machine if desired.

Week 9: August 1-5

AM (9am-12pm)

Adventures in Game Design Coding

August 1-5 • 9am - 12pm • 3-6th • \$185

Teacher: Code Ninjas® Professional Sensei

Powered by Code Ninjas®, ninjas (friends) will explore different programming concepts as they create various games using a block-based programming language called Scratch—a kid-friendly, visual programming environment developed by MIT. Our team will introduce basic game design and programming concepts like loops, functions, and more to create their own games.

Archery

August 1-5 • 9am - 12pm • 4-8th • \$150

Teacher: Marco Gast, Outdoorsman and ASP Teacher

Join this camp as a beginner or with some experience. Participants learn how to safely shoot a bow and arrow, strengthen their aim with lots of target practice, and experiment with different types of bows. They design and create their own arrow to take as a keepsake.

Broadway

August 1-5 • 9am - 12pm • 4-7th • \$150

Teacher: Diana McElwee, ASP Teacher, Vocal Coach, and Former College Professor of Music

Enjoy a week of show tunes and musical theatre. From Hamilton to Cats to The Little Mermaid learn all your favorite songs and dance routines. Practice your how to engage an audience and work on your vocals. Participants select their songs and work individually and on ensemble pieces.

Cheerleading

August 1-5 • 9am - 12pm • K5-5th • \$150

Teacher: Ke'Ny-Ja Spurgeon, Cheer & Gymnastics Coach

Come learn the basics of cheerleading in a super fun camp. Learn cheers with the movements and chants, along with how to project your voice to lead a crowd. Create cute cheer accessories like megaphones and hair bows. On Friday family is invited to our pep rally.

Engineered Art

August 1-5 • 9am - 12pm • 3-6th • \$165

Teacher: Michael Simpson, ASP Teacher and former Middle School Art & Science Teacher

In this great class learn how to make art that moves! From bugs to flying cars, and even an ornithopter, this camp builds wooded objects that are engineered to move with rubber bands and paperclips. This is a true STEAM endeavor! Come learn the science and the art techniques to create cool pieces that fly.

Fencing

August 1-5 • 9am - 12pm • 3-8th • \$165

Teacher: Foothills Fencing Professional Fencer

This unique experience is an Olympic sport! Learn the rules of fencing, the skills for proper footwork, bladework, distance control, fencing etiquette, and how to be a good sportsman. Fencers start with the foil and all protective gear (mask, breastplate, vest, glove) is provided.

Get Ready for 5th Grade

August 1-5 • 9am - 12pm • 5th • \$165

Teacher: Jennifer Violette, Elementary School Teacher

This camp reviews key reading, math, and writing skills for success in 5th grade. Comprehension is key for reading success and this camp practices comprehension strategies so students are reading for content. An important part of prep this week is writing. This includes the writing process and developing ideas into written communication through correct grammatical functions and precise word choice. Math skills are also reviewed to include fractions, ratios, percentages, multiplication and division fluency, place value, and problem solving strategies.

PM (1-4pm)

Capoeira

August 1-5 • 1pm - 4pm • 2-5th • \$165

Teacher: Melinda Martins, Owner of Upstate Capoeira

Capoeira is Afro-Brazilian martial arts that combines elements of dance, acrobatics, and music. Originally developed by slaves, the dance and music was incorporated to disguise fighting technique practice. Led by Upstate Capoeira this exciting camp creates an amazing art with choreographed maneuvers to music. Participants learn the moves, the music, a bit of history and at the end of the week perform for family and friends! Don't miss this unique offering!

Creative Writing

August 1-5 • 1pm - 4pm • 5-8th • \$165

Teacher: Grace Runkel, Journalist & News Reporter

Do you have a story in you waiting to get out? Join this exciting week where we will explore many types of creative writing. From short stories to poems to plays, participants can develop a piece in any topic they choose. Learn how to make your writing more vivid and enticing in this fun camp!

Magic Camp: Balloons, Juggling & Tricks

August 1-5 • 1pm - 4pm • 2-5th • \$175

Teacher: Marco Gast, ASP Teacher

Become a performer and learn magic tricks, how to juggle, and balloon twisting. Create amazing balloon art and learn the twists to create silly hats, animals, weapons, and flowers. Practice juggling each day and start with scarves then progress to balls. Learn cool magic tricks and wow your friends! Campers receive and keep a kit with a balloon pump and extra balloons.

Paper Maché

August 1-5 • 1pm - 4pm • 3-6th • \$165

Teacher: Michael Simpson, ASP Teacher and former Middle School Art & Science Teacher

This camp is full of mess and fun! Learn the techniques to form a sculpture piece. Then create your own paper maché paste to build it. Once dry, paint and enhance it to create your own unique sculptures. Artists create their own designs that include animals, giant head pieces, masks, functional pieces or whimsical art.

Pet Camp

August 1-5 • 1pm - 4pm • 2-5th • \$165

Teacher: Andrea Hayes, ASP Teacher

Learn how to care for pets like dogs and cats. They need proper care to thrive and this means basics like food and water but it also means love and training. Taking care of pets is hard work but the reward is a gift. Campers make cute items for pets like toys, accessories, and food mats. Some campers keep and some they sell to other campers. During the week we will visit an animal rescue for a lesson, to play with the animals, and donate the money raised from the sale of pet items.

Unlock Your Potential: Become a Roblox Developer

August 1-5 • 1pm - 4pm • 3-6th • \$185

Teacher: Code Ninjas® Professional Sensei

Powered by Code Ninjas®, come learn the basics of game building and creative development in Roblox, an exciting, user-generated online gaming platform similar to Minecraft®. Campers use Roblox to create much more than just a game! Open to all levels of experience, this camp teaches ninjas how to plan, design and build their own 3D world in a hands-on, fully guided experience led by an awesome Code Sensei.

Week 10: August 8-12

All Day (9am-4pm)

End of Summer Fun

August 8-12 • 9am - 4pm • K5-5th • \$235

Teacher: Charles Wimphrie, ASP Teacher

This week we enjoy all our favorite things about summer! Play outdoor games, enjoy water toys, and have a watermelon eating contest. At the beginning of the week campers suggest some of their summer favorites and then choose activities to complete each day. We will even take field trips to local parks for last minute summer fun.

AM (9am-12pm)

Bike & Hike

August 8-12 • 9am - 12pm • 4-8th • \$150

Teacher: Marco Gast, Outdoorsman and ASP Teacher

Each day is a new adventure as we hike and bike our way through the region! We hike 2 days and bike 3 days. Campers bring their own bikes and helmets. We bike the Swamp Rabbit Trail, Furman, and Lake Conestee. We hike at Croft State Park and Paris Mountain.

PM (1-4pm)

Archaeology & Geocaching

August 8-12 • 1pm - 4pm • 4-8th • \$150

Teacher: Marc Gast, Outdoorsman and ASP Teacher

Enjoy an exciting week exploring hidden treasure. Campers will work in teams to create artifacts for a society and then bury them for other teams to uncover, giving each camper a chance to create and uncover an archaeological dig. We will also explore geocaching sites around Greenville and learn to read and use maps to find the caches. Campers can even create little trinkets, like friendship bracelets or painted rocks, to leave at some caches.
