

Week 6: July 11-15

AM (9am-12pm)

Dodgeball

July 11-15 • 9am - 12pm • 2-6th • \$150

Teacher: Jordan Filiatreau, Elementary School PE Teacher

Join your friends and play dodgeball and dodgeball style games each day! Learn the rules of the game and play in a safe environment where your teammates are just as excited as you. Improve throwing, ducking, and dodging skills through practice and drills. Improve your team play with endless games and fun! Soft foam balls are used.

Drones & Rockets

July 11-15 • 9am - 12pm • 4-8th • \$165

Teacher: Michael Simpson, ASP Teacher and former Middle School Art & Science Teacher

Explore flight in this cool camp! Campers learn how to fly and control provided drones with practice, practice, practice. As they improve they compete to complete a series of challenges with landing and flying through spaces. They create flying contraptions from simple materials to investigate concepts in lift. They even create rockets to launch.

Flag Football

July 11-15 • 9am - 12pm • 5-8th • \$150

Teacher: Mr. Dove, ASP Teacher and Flag Football Enthusiast

Think you are the next Odell Beckham, Tom Brady or other football star? Then bring your best moves! Through mini-games and skill drills, players learn and practice techniques to improve throwing, catching, and defense. Don't let 'em get your flag. No pads or helmet needed.

Fort Building

July 11-15 • 9am - 12pm • 2-5th • \$150

Teacher: Marco Gast, Outdoorsman and ASP Teacher

What is more fun than building a fort? NOTHING! Join this cool week and build forts! Make them from cardboard, sheets, poles, and tape. Then decorate them and play inside.

I Like to Move It

July 11-15 • 9am - 12pm • K5-3rd • \$165

Teacher: DanceArts of Greenville Professional Dancer

Powered by Dance Arts of Greenville, this exciting week is full of movement! Using dance techniques, your favorite music, and a flare for fun, this week is sure to get you movin' and grovin'. Not only do campers learn dance moves, improve coordination, and get active...they have a blast doing it!

Jewelry Making: Friendship Bracelets & Polymer Clay

July 11-15 • 9am - 12pm • 3-6th • \$165

Teacher: Diana McElwee, ASP Teacher, Jewelry Enthusiast, and Former College Professor of Music

Make awesome bracelets, necklaces, earrings, and even hair accessories this week! Create fun friendship style bracelets by learning different knotting techniques and experimenting with color complements. Use polymer clay to make a variety of pieces. Polymer clay is fine clay that is shaped and then baked. Learn the techniques to use this clay to create fun jewelry pieces.

Motor Magic

July 11-15 • 9am - 12pm • K4-1st • \$165

Teacher: Ellen Gordon, Elementary School Teacher

This camp makes fine motor skill development fun! Using activities and games that provide practice for small motor skills, this camp helps children get ready for school and life. Children develop their independence in doing a range of tasks such as writing, drawing, cutting, creating, and dressing themselves. Give your child a broader range of learning activities and social experiences with strengthened fine motor skills.

Snack Attack

July 11-15 • 9am - 12pm • 5-8th • \$165

Teacher: Andi Brown, ASP Teacher and Former Early Interventionist

Knowing how to create simple snacks is an important skill for tweens and teens. This camp teaches them techniques and recipes to create afternoon or any time snacks using pantry staples. Cooks also learn cooking skills and safety. Come create bagel pizza, test out spices to find your favorites, make muffins, trail mix, and more!

Squishy Art

July 11-15 • 9am - 12pm • K4-2nd • \$165

Teacher: Andrea Hayes, ASP Teacher

Make art you can squeeze, squish, and bend. Make and play with playdough, cloud dough, slime and sand dough. This camp hides fine motor skill practice in play and fun!

Unlock Your Potential: Become a Roblox Developer

July 11-15 • 9am - 12pm • 3-6th • \$185

Teacher: Code Ninjas® Professional Sensei

Powered by Code Ninjas®, come learn the basics of game building and creative development in Roblox, an exciting, user-generated online gaming platform similar to Minecraft®. Campers use Roblox to create much more than just a game! Open to all levels of experience, this camp teaches ninjas how to plan, design and build their own 3D world in a hands-on, fully guided experience led by an awesome Code Sensei.

PM (1-4pm)

3-D Drawing

July 11-15 • 1pm - 4pm • 3-6th • \$165

Teacher: Michael Simpson, ASP Teacher and former Middle School Art & Science Teacher

Learn to draw 3-D figures and optical illusions. Open to beginners and those with drawing experience, come learn the shading techniques to show depth and make figures jump off the page. Campers will create a portfolio of drawings.

Around the World

July 11-15 • 1pm - 4pm • K5-2nd • \$165

Teacher: Elizabeth VanDommelen, Middle School Spanish Teacher

Fly around the world and explore a different country each day. Enjoy crafts like Mexican mirrors, games, and music from the different countries. Take pictures by famous landmarks like the Eiffel Tower in Paris, France. Learn some simple words and phrases common to each country. Enjoy authentic snacks from the countries like Australian biscuits.

Bugs

July 11-15 • 1pm - 4pm • K5-2nd • \$165

Teacher: Ellen Gordon, Elementary School Teacher

Come explore the wonderful world of bugs! Learn about types of bugs, what makes them special, how many there are in the world, and where they live. Through bug inspired crafts and activities, campers foster a love for these special animals as they get to know their creepy, crawlies!

Explore Greenville

July 11-15 • 1pm - 4pm • 6-8th • \$185

Teacher: Jordan Filiatreau, Elementary School Teacher

Come explore the hot spots Greenville offers! Each day we visit a different location to include Defy for jumping and climbing, Pavilion for ice-skating, Spare Time for bowling & laser tag, Falls Park to search for Mice on Main, and a surprise trip.

Making the Mod: Designing Modification with Minecraft®

July 11-15 • 1pm - 4pm • 3-6th • \$185

Teacher: Code Ninjas® Professional Sensei

Powered by Code Ninjas®. Come learn how to manipulate and master Minecraft® by making your own mods (modifications). Using basic block-based coding, ninjas learn procedures, conditionals, and variables. Create 2D and 3D textures for your Minecraft® world along with custom content, including weapons, armor, and even enemies!

Nerf Wars

July 11-15 • 1pm - 4pm • 2-6th • \$150

Teacher: Marco Gast, ASP Teacher

Epic battles await! Join this exciting week to play against your buddies. Nerf guns and darts are provided but campers can bring their own. Enjoy a week of building bunkers, target practice, and lots of competitive play.

Song Writing

July 11-15 • 1pm - 4pm • 6-8th • \$150

Teacher: Mr. Dove, Music Artist, Song Writer, Spoken Word Artist, and Former Elementary School Media Teacher

Discover how to build a musical composition in this creative and explorative class. Songs are poetry mixed with music. Learn how to craft your song into a piece you love. Using fun word play exercises and rhythm activities campers develop their own songs.

Water Games

July 11-15 • 1pm - 4pm • 3-6th • \$165

Teacher: Kira Reid, ASP Teacher

Cool off in this fun week of water games! There are silly activities like water balloons, water toss, and water relays, along with slip 'N slide and sprinkler games. There is one field trip to the Kroc Center for a water day off campus.
