Acting

Tuesday • 3:30-4:30 • K-5th • \$150 or \$50/month

Instructor: Mr. Dove, Actor & Drama teacher

In this class aspiring actors explore creativity through their voice, body and imagination. Come learn the basics of acting through games, exercises, and scene work while developing skills in empathy, teamwork, self-confidence, and self-expression. All this while having a blast!

Adventures in Game Design

Friday • 3:30-4:30 • 3rd-6th • \$165 or \$55/month

Instructor: Code Ninjas® Sensei

Powered by Code Ninjas®. Ninjas (Friends) will explore different programming concepts as they create various games using a block-based programming language called Scratch—a kid-friendly, visual programming environment developed by MIT. Our team will introduce basic game design and programming concepts like loops, functions, and more to create their own games. Computers are provided.

Ceramics

Wednesday • 5:00-6:00 • 2-6th • \$165 or \$55/month

Instructor: Michael Simpson, ASP Teacher & Artist

All hands on deck! Learn the techniques to create beautiful clay pieces of art. Artists learn handbuilding techniques to shape clay and start with pinch pots. They also create multiple pieces to fire and learn how to glaze to finish a piece.

Experimental Science

Monday • 5:00-6:00 • 1-5th • \$165 or \$55/month

Instructor: Challenge Island Teacher

Don't miss this hands-on science exploration! Powered by Challenge Island, each week we will explore tons of fun science challenges! We will experiment, erupt, combine, and explore science in our everyday world from physical science, chemical science, garden science, and everything in between!

Martial Arts

Friday • 3:30-4:30 • K-5th • \$165 or \$55/month

Instructor: Greenville Academy of Martial Arts Sifu

Join Greenville Academy of Martial Arts in this dynamic class! Participants can join as beginners or with experience. This class teaches self-defense skills using the Jeet Kune Do methodology and combines these skills with a strong focus on character, discipline, and self-control. It's an unbeatable combination! A belt and a t-shirt are included.

Party Foods

Monday • 5:00-6:00 • 3-6th • \$165 or \$55/month

Instructor: Deanna Surgick, Professional Chef

Come explore the amazing world of kids culinary! Beginner skills are taught as we explore fun, yet simple recipes together. Learn the skills to create and plate yummy treats to get any party started! Over the course of this class we will make delectable snacks no kid or adult can say "no" to, such as kids' charcuterie boxes, flavored popcorn, cinnamon roll waffles, and many more tasty treats!

Pokémon

Tuesday • 5:00-6:00 • K-4th • \$165 or \$55/month

Instructor: Mr. Dove, Media Teacher, Pokémon Enthusiast

Calling all Pokémon trainers! In this fun class trainers will develop their game skills, battle each other, and have a blast! Participants receive cards to play with and may bring their own cards (only those they are comfortable trading).

Roller Skating

Thursday • 3:30-4:30 • K-5th • \$99 or \$34/month *

Instructor: Roller Time Skating Academy Teacher

Join professional skater Angela Pitts in an exciting class to learn how to skate if you are a new skater, or strengthen your skills if you have experience. Participants will learn basic skating techniques such as how to stop, get up if you fall, and how to skate forward and backward. They will also learn more advanced skills, such as shoot-the-duck and how to jump as they progress. Class is powered by Roller Time Skating Academy. Skating happens on campus at ASP and skates are provided.

* Class is prorated because the teacher can only teach 6 classes. Skip days are communicated during the session.

Ukulele

Wednesday • 3:30-4:30 • 2-5th • \$165 or \$55/month

Instructor: Brent Riddle, Strings Teacher

Learn to play this fun and charming stringed instrument. Participants practice how to hold the ukulele, how to strum, how to play chords, and put it all together to create tunes. Ukuleles are provided but campers can bring their own if they prefer.

Yoga

Wednesday • 3:30-4:30 • K-5th • \$165 or \$55/month

Instructor: The Haven Yoga Studio & Big Hug Kids teacher

Get your zen on in this yoga class for kids! Learn the poses and breathing techniques to get your body and mind centered. Create crafts to relax your mind and learn easy-to-use meditation techniques. All activities are designed specially for children.
